HOLIDAY

A Very Vintage Christmas

Holiday Collecting, Decorating and Celebrating

By Bob Richter

A Very Vintage Christmas embodies the nostalgia and sentimentality associated with the holiday season. Vintage ornaments, lights, decorations, cards and wrapping all conjure up happy memories of Christmases past and serve as tangible mementos of holidays shared with family and friends. In fact, finding these objects, decorating with them and sharing them with others brings an instant feeling of comfort and joy. Coupled with beautiful photographs, tips on collecting, and secret shopping haunts, *A Very Vintage Christmas* offers a 360-degree look at holiday décor in America and gives suggestions on how to make vintage finds work for today's audience. While each chapter of *A Very Vintage Christmas* is unique, there is a common thread that runs through them all: the love of beautiful holiday decorations, and the interest in their history, value, and preservation. The book helps the everyday collector and enthusiast to build their own collection and offers tips on how to make the most of what they've got.

Regularly featured in media outlets including *The New York Times*, *Entertainment Weekly*, *The Huffington Post*, *The Associated Press*, *Redbook*, the *Boston Globe*, *FOX*, *CBS*, *ABC*, and *HGTV*, **Bob Richter** delights in sharing antiques, design, and bargaining advice. As "The Designer" and breakout star of the PBS series *Market Warriors*, Bob used his personality and expertise to strike deals at flea markets all over the country and he remains a fan favorite. He also hosts *Flea Market Minute* (now in its third season) and *Minute Makeover* (sponsored by IKEA). He has also served as Guest Editor of *NYC-Arts* and offers antiques advice in *eHow* and *The Intelligent Collector*. He lives in New York City.
