

BAKING UP BUSINESS!™

A FEW WORDS ...

I promised myself I wouldn't talk about the weather. But it's snowing! It's May 15th for crying out loud and it's snowing in Cleveland. How do I get in the mood to wax poetic about our new Aspen Lemonade when it's so cold outside? Wait, I have an idea... There! I added a shot of vodka to our new Ginger Peach Lemonade. Mmmm. Cocktails are appropriate any time of year, right? (P.S.: Aspen's founder, Keifer Mendenhall, used to tell me to sample the original with rum.)

Other new items to point out include our Pick Your (political) Party Vanilla Cupcakes (page 11). Are you a donkey or an elephant? Doesn't matter; we include cupcake picks for both. For those who can't contain their emotions, stay calm; we now have an Emoticon Sugar Cookie Kit (page 11). And for those who like to accessorize their baked treats, check out our new Blendz sprinkles (page 9). You won't find anything like 'em anywhere.

Finally, I'm thrilled to report that our wholesale ecommerce website www.brandcastle.biz is now open for business and you are preauthorized. Just use the referral code LOVECUPCAKES to gain instant access to create an account. We're giving 10% OFF to customers who order through the site. Use coupon code SAVEME10 through October 31st to receive the discount on your first online order.

By the time you read this, it will be June or July and it should be warm with clear skies. But given this crazy Cleveland weather, one can only hope.

My best,

Jimmy Zeilinger
President & Founder
