Dear Buyer,

Recently, we've heard from many of you, asking for even more of our inspiring color photography in our cookbooks and we want you to know – we heard you loud and clear! We're so thrilled to be launching TWO new series, each filled with hundreds of recipes and yes, full-color photos. Check out page 4!

In addition to these new series, our 2017 Calendar Collection is here. Last year, the collection SOLD OUT of our warehouse by Halloween and from all our Retailers before Christmas. This year, be sure to place your order early...they're on page 12.

You'll find even more new Gooseberry Patch titles on page 10 and additional titles featuring Canning, Outdoor Adventure, Kids and Inspirational titles from Globe Pequot on pages 14 and 15.

Along with our expanded title offering from National Book Network and Globe Pequot, we're embarking on another big change. Rather than have our own booth in Atlanta's temporary market, we're simplifying your shopping this year. You'll have just ONE stop to make in the four buildings in Atlanta – come see us at The Butler Group Showroom (Bldg 2-1212) and visit with a knowledgeable Gooseberry Patch team member. We're looking forward to seeing you there!

We know that you have so many choices to fill your shelves with and we greatly appreciate being one of your vendors of choice. Even as recipes are available online, we know that cooks have not stopped buying cookbooks for their own personal pleasure and for gift giving. Eating at home is a "one-size fits all" great gift idea as well as an affordable way to socialize with friends!

Warmly,
Jo Ann & Vickie
