

## OUR MISSION IS TO INSPIRE HEALTHY, SUSTAINABLE CHOICES AT HOME AND ANYWHERE LIFE TAKES YOU.

---

I'd like to personally welcome you to the Takeya 2016 catalog, featuring the latest innovations in reusable food and beverage containers. I'm excited to share with you our unique products with patented features and modern designs which promote a healthy, sustainable lifestyle.

We are relentless in our quest to develop the most thoughtful and innovative solutions for our customers. This year I am proud to present two all-new product lines, Thermoflask and Freshlok. Thermoflask is an exciting new drinkware line that not only keeps beverages cold for up to 24 hours but also comes in three sizes with a one-lid-fits-all design. Freshlok is a line of airtight dry food storage canisters with a superior moisture barrier.

By matching form and function with a rich palette of color and style, Takeya has been providing solutions that inspire people to live healthier, more sustainable lives at home and on the go for over 50 years. It has been a wonderful journey. I hope you'll join us.

Wishing you health and success,

John Lown  
Founder, Takeya USA

A person in a red shirt is pouring a vibrant red liquid from a large, clear plastic pitcher with a green handle and lid into a small glass jar. The jar already contains ice, a blue and white striped straw, and a slice of lemon. The scene is set outdoors on a wooden table with various fruits like watermelon and strawberries, and a blue pot in the background.

## PITCHERS + ACCESSORIES

This one-of-a-kind airtight pitcher can be stored on its side without leaking. It's a breeze to stash and stack in a jam-packed fridge and easy to take on the go. Our unique accessories are specifically designed to work with our pitchers to keep beverages colder longer and infuse flavor for a completely customizable hydration experience.

## DRY FOOD STORAGE

Our dry food storage line of products is 100% airtight, providing a superior moisture barrier which locks in freshness. That means dry foods stay fresher, longer – stop wasting food and start saving money.

FRESHLOK

100% AIRTIGHT FOR A SUPERIOR MOISTURE BARRIER

- 1 ONE-TOUCH SNAP LOCK  
Easy to close with only one finger
- 2 SEE-THROUGH LID  
Quick and easy identification of product from the top or while on its side
- 3 AIRTIGHT SEAL  
Unique "right-angle" seal keeps air and moisture from penetrating the canister for maximum freshness
- 4 SPRING-LOADED ATTACHED LID  
No need to unscrew the lid during use, pops open for easy one-handed access and also acts as a reminder to close completely
- 5 SHATTERPROOF DURABLE BODY  
High-grade PET polymer will not crack when dropped
- 6 STAIN & ODOR RESISTANT  
Won't absorb odors, while offering glass-like clarity
- 7 LIGHTWEIGHT YET STURDY  
Weighs much less than other similar products
