Bite Size Butter Wafer Cookies

Manufactured in the U.S.A.

Chocolate & Almonds
with Sea Salt

Snackable just got a whole new meaning! Lady Walton's all butter mini wafers: Made with **scrumptious** ingredients (**meaning really good**) like rich vanilla, European-style butter and pure cane sugar. Topped with white chocolate, milk chocolate or dark chocolate (**real by the way**), and sprinkled generously with peppermint, toffee, toasted coconut, almonds & sea salt, or maple pecans & sea salt. **These bite size morsels are hard to resist. Once you've had one, you're bound to have at least a couple more.** Perfect to pop in your mouth when you're on the run; top your favorite ice cream or frozen yogurt; dunk in your milk or coffee; or for a naughty (**but worth it!**) Midnight treat! Dreamed up by two daughters, Sophie and Ali. Baked and packaged in the USA with love for you and your family by two Moms who care (**like all Moms**)—Mary Alizon & Susan.
