# 43 SWEET YEARS OF FAMILY & CHOCOLATE

## WE'RE GROWING!

We're excited to announce the largest investment in company history—with a new 35,000 sq. ft. factory addition, re-designed distribution center and NEW café. In total we will have over 90,000 sq. ft. of SQF-Certified Manufacturing, Warehouse and Distribution.

Since 1981, our family has worked alongside a team of artisan candy makers crafting premium chocolates with the finest ingredients. Chocolate Chocolate Chocolate Company, named for the founders' three children, prides itself on family values, ethically sourced ingredients and delicious chocolates—all made one batch at a time! In 2019, our family grew as we acquired Bissinger's Handcrafted Chocolatier—a famous, historic chocolate brand that was once enjoyed by King Louis XIV of France. **—THE ABEL FAMILY**
